

Quassel IRC - Feature #1054

Ability to lock more GUI items

02/18/2011 06:46 AM - SpiderDave

Target version:			
OS:	Any		
Description			
There's a "Lock Layout" option in the View menu but it doesn't lock: <ul style="list-style-type: none">• The Nicks list• The All Chats list• The main toolbar• The little spacer things to resize areas.			
I wasn't sure if this would be considered a bug or a feature (an unfinished feature maybe?).
