

Quassel IRC - Feature #1106

Play highlight notification sound if Quassel is focused

09/16/2011 09:52 PM - Atreus

Target version:			
OS:	Any		
Description From the looks of it, the notification sound only play if the window is not in focus. As I leave the IRC window open usually when I leave the computer, I can't hear the notification sound. I'm using the Monolithic client for Windows XP, Vista and 7 of 0.7.3 on Windows 7.
