Quassel IRC - Feature #1265

Manage connected clients

03/06/2014 07:09 AM - Amt

Status:	New		**Start date:**	03/06/2014
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Usability		**Estimated time:**	0.00 hour
Target version:	Some future release			
OS:	Any			

Description

Client A with an open buffer connected to the same core and user as Client B....Client B will not get any highlight notifications on from the open buffer of Client A.

A method of managing connected clients of a user (either via the client or core CLI options) would resolve this issue.
