

Quassel IRC - Bug #1443

Do not lose messages when disk ran out of space

09/08/2017 10:48 PM - public

Status:	New	Start date:	09/08/2017
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Quassel Core	Estimated time:	0.00 hour
Target version:		OS:	Any
Version:	0.12.4		
Description			
turns out Quassel stops displaying any sent or received messages when it runs out of disk space; it would be nice if it switched to some algorithm that doesn't save lines to a database and notifies the user of the issue
