Quassel IRC - Feature #172

Please make it possible to hide a buffer without deleting it.

Target version:	0.2.0-beta1		
OS:	Any		

Description

Deleting the buffer means you lose all of the previous info, but Id like to see a hide buffer so that you dont have a monster list, but you still have the inf, so if you have a pm conversation and then resume after the buffer has been hidden it still brings up the history.

History

#1 - 06/03/2008 02:34 PM - EgS

The custom bufferviews allow to hide buffers temporarily or permanently. The default view "all buffers" cannot be modified though.
