

Quassel IRC - Bug #1769

preferences/settings dialog box getting clipped in low resolution displays

10/26/2021 05:17 PM - solarchandy

Status:	New	Start date:	10/26/2021
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		OS:	Linux
Version:	0.13.1		
Description the settings dialog box of the app gets clipped at the bottom on low resolution displays(eg: 1280 x 800) as show in attached screenshot. this makes accessing apply,discard & cancel buttons in the dialog box impossible. please look into the issue
