Description			
[19:49:57] <ZRegis> Hello /back command seems not supported on 0.2.0-beta1 It's a local problem ? Or a bug ? Thanks for reply [19:51:21] <EgS> ZRegis: use /away without a parameter [19:51:52] <ZRegis> Ok can we add also /back ? [19:52:17] <ZRegis> Thanks for your help. [19:52:43] <EgS> ZRegis: support for aliases will come... maybe we'll hardcode an alias meanwhile [19:53:17] <ZRegis> bug submit ? or already exist ? [19:53:32] <EgS> no need for a bug report

History

#1 - 08/10/2008 06:40 PM - EgS

Fixed in current Git:

Note: default aliases are only created when you have no aliases set at all. So Upgrades either have to delete all their aliases and restart the core or add the alias manually:

"back" -> "/quote away"
