Quassel IRC - Bug #2112

Chat buffer scroll position is lost after switching buffers

09/23/2026 11:20 AM - hermasaom

Status:	New	**Start date:**	09/23/2026
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:		**Estimated time:**	0.00 hour
Target version:			
Version:	0.13.1	**OS:**	Any

Description

The chat buffer scroll position is lost when switching between buffers. The client should preserve the previous scroll position when returning to a buffer.

Searching for a Strands Hint can save time when the daily puzzle seems impossible to crack. The game combines a hidden theme with a flexible word-search grid, so players need to think about both the meaning of the answers and the path used to spell them.
