

Quassel IRC - Bug #241

Get rid of Buffer

08/04/2008 12:43 AM - Sputnik

Status:	Resolved	Start date:	
Priority:	High	Due date:	
Assignee:	EgS	% Done:	0%
Category:	Quassel Client	Estimated time:	0.00 hour
Target version:	0.3.0	OS:	Any
Version:	0.13.1		
Description			
With the new ChatView in place, Buffer has lost its function of storing layouted messages. It now only manages the lastSeen stuff and activity levels, which could/should be moved elsewhere. The rest is b0rked legacy code which is not even properly adapted to MessageModel yet.
