Quassel IRC - Bug #252

Introduce BacklogProcessor to asynchronously process the backlog again

08/06/2008 03:28 PM - Sputnick

Status: Resolved Start date: **Priority:** High Due date: Assignee: Sputnick % Done: 0% Category: **Quassel Client Estimated time:** 0.00 hour Target version: 0.3.0 Version: 0.13.1 OS: Any

Description

This should help reducing the long "sync time" on slower computers. I think we can make good use of QtConcurrent here, with a QTimer-based fallback for non-FontConfig systems.

History

#1 - 08/06/2008 11:56 PM - Sputnick

QTimer-based version done, QtConcurrent will follow later.
