

## Quassel IRC - Feature #261

### Please make fields removable from chat monitor columns

08/06/2008 11:27 PM - jussi01

|                                                                            |                       |                        |           |
|----------------------------------------------------------------------------|-----------------------|------------------------|-----------|
| <b>Status:</b>                                                             | Resolved              | <b>Start date:</b>     |           |
| <b>Priority:</b>                                                           | High                  | <b>Due date:</b>       |           |
| <b>Assignee:</b>                                                           | EgS                   | <b>% Done:</b>         | 0%        |
| <b>Category:</b>                                                           | General / Unspecified | <b>Estimated time:</b> | 0.00 hour |
| <b>Target version:</b>                                                     | 0.3.0                 |                        |           |
| <b>OS:</b>                                                                 | Any                   |                        |           |
| <b>Description</b>                                                         |                       |                        |           |
| le. be able to remove the "freenode" from the network/channel/nick column. |                       |                        |           |

#### Associated revisions

##### Revision 9d52e49424afb60c2f28073051c1dbf25f47adec - 08/11/2008 02:03 PM - Marcus Eggenberger

fixing BR #261 (making fields removable from the chatmonitor). Changes effect currently only new messages as the ChatViews don't treat dataChanged() properly

##### Revision 9d52e494 - 08/11/2008 02:03 PM - Marcus Eggenberger

fixing BR #261 (making fields removable from the chatmonitor). Changes effect currently only new messages as the ChatViews don't treat dataChanged() properly
