Quassel IRC - Bug #281

Throw away unneeded layout data

08/15/2008 02:20 PM - Sputnick

Status:	Resolved		**Start date:**	
Priority:	High		**Due date:**

Target version:	0.3.1			
Version:	0.13.1		**OS:**	Any

Description

As soon as a ChatItem leaves the current view area, it should throw away its layout data (and metadata) again. ChatItem code is already prepared for that (i.e., layout data is already created on-demand). Probably should move all discardable data (including onHover stuff [to be implemented]) into a struct.
