

Quassel IRC - Bug #305

Added socks support

08/31/2008 12:35 AM - sph

Status:	Resolved	Start date:	
Priority:	Normal	Due date:	
Assignee:	EgS	% Done:	100%
Category:	Quassel Core	Estimated time:	0.00 hour
Target version:	0.4.0	OS:	Any
Version:	0.3.1+		
Description			
Patch attached.			
It's done using the SOCKS_SERVER environment variable (which is being used by a lot of other tools as well).			
It's not really a permanent solution as there was a discussion about setting a global socks setting which can be overridden per network. But at least this works for now until there's a proper way :)			
(I need socks - I always patched it before compiling)			

History

#1 - 12/28/2008 01:51 AM - Sputnik

- Priority changed from High to Normal

#2 - 01/13/2009 08:31 PM - EgS

- Status changed from New to Resolved

- Assignee set to EgS

- Target version set to 0.4.0

- % Done changed from 0 to 100

- Version set to 0.3.1+

Fixed in current git:
