| Version:                                                                   | 0.3.1+         | OS:             | Any        |
| Description                                                                |                |                 |            |
| well have a look at the screenshot.                                        |                |                 |            |
| i have seen this on the mono-client - maybe applies to the client as well. |                |                 |            |

Associated revisions

Revision 1e8b12a9f3d31e284843e6c1a70a361911b2cb41 - 01/16/2009 12:04 AM - Manuel Nickschas

Properly display core build date, fixes #473

Will probably see how to get a localized string into that at some point; using *TIME* and *DATE* is quite hacky, and since we run genversion anyway, we can as well have it provide a real timestamp instead.
