Quassel IRC - Bug #599

WhoIs opens a query buffer when the user does not exist

03/07/2009 07:15 AM - Lingerance

Status:	Resolved		**Start date:**	03/07/2009
Priority:	Normal		**Due date:**	
Assignee:	EgS		**% Done:**	100%
Category:	Quassel Core		**Estimated time:**	0.00 hour
Target version:	0.6.0			
Version:	0.4.0		**OS:**	Any

Description
Currently whois will open a query buffer if the target user does not exist. This is inconsistent with whois information showing in the server buffer. Either the whois information should also show in the query buffer, or the No such nick error should show in the server buffer.
