

Quassel IRC - Feature #605

Use tabs for channels

03/07/2009 04:52 PM - DevUrandom

<b>Status:</b>	Closed	<b>Start date:</b>	03/07/2009

<b>Target version:</b>			
<b>OS:</b>	Any		
<b>Description</b> The current treeview uses up a lot of space on the screen (i.e. lots of "white" and unused space, because of its nature as an own widget with columns). The immediate solution seems to be to allow using tabs for channels, as they can be arranged in a more efficient manner.			

History

#1 - 04/09/2012 01:55 PM - Anonymous

- Category set to Quassel Client
- Assignee set to Anonymous

#2 - 04/09/2012 03:49 PM - DevUrandom

- Status changed from New to Closed

I don't need this anymore, my screen is much bigger and I got used to the treeview in the meantime.
