Quassel IRC - Bug #696

Start to tray option.

05/17/2009 03:48 PM - ghabit

Status:	Closed	**Start date:**	05/17/2009
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	Quassel GUI (KDE)	**Estimated time:**	0.00 hour
Target version:	0.4.2		
Version:	0.4.1	**OS:**	Linux

Description
Start to tray option.

History

#1 - 05/25/2009 11:45 PM - Sputnick

- Status changed from New to Closed

- Target version set to 0.4.2

As of 0.4.2, Quassel remembers the state it was closed in, so if you close it while being in tray, it'll open that way too.
