| **Target version:** | | | | |
| **Version:** | 0.4.2 | | **OS:** | Linux |

**Description**

If the sqlite-db exists (in .config/quassel-irc.org/ e.g.), but is not owned by the user runnig quasselcore, the core will not start up and "hang" after the following log-message

**Info: Restoring previous core state...**

**History**
