Quassel IRC - Feature #869

Gray out loaded backlog on starting client or rejoining channel

12/03/2009 11:11 AM - Topy44

Status:	New	**Start date:**	12/03/2009
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	Quassel GUI (Qt)	**Estimated time:**	0.00 hour
Target version:			
OS:	Any		

Description

I would suggest that old, already read messages loaded from the backlog can be assigned a different color via the stylesheet to gray them out, effectively marking all messages that were received during a previous session. Messages that were received since the last disconnect should not be affected. This differs from the marker line as the marker line gets reset once the channel has been viewed once.

The same should also be used for rejoined channels and reopened queries.
