

Quassel IRC - Bug #878

Download link is missing for Ubuntu repositories

12/10/2009 07:31 AM - miohtama

Status:	Rejected	Start date:	12/10/2009
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		OS:	Any
Version:	0.6-pre		
Description			
Download page mentions backport releases for several Linux distributions. However, the links are missing.			
Finding these repositories might be difficult due to Google noise.			
Link to Ubuntu repo:
